

Criminal Justice Council 2008 New Castle County Public Hearings

All Senior Citizens

The first public hearing at Bancroft will focus on Senior Citizens. Come with your questions, comments and observations of the Criminal Justice System. The Criminal Justice Council would like the public's perception of the issues facing the Criminal Justice System and process in Delaware. A panel of representatives from the Attorney General's Office, Public Defender's Office, courts, law enforcement, corrections, victims and juvenile justice will be present. Chair of the Council is Lt. Governor Carney. Information gathered from citizens will assist the Council with meeting the challenges facing the justice system today.

Refreshments will be served 6-7 PM.
